

## This year's race benefits:

Building houses. Building community. Building hope.

Habitat for Humanity of Schoharie County strengthens our community and invites people of all backgrounds, races, and religions to build houses with families in need. Each partner family must put in sweat equity, pay some closing costs upon home completion, and repay a no-interest mortgage.

These payments are used to help build more houses. Habitat is a worldwide, nonprofit, ecumenical Christian ministry dedicated to eliminating substandard housing with the conviction that everyone should have a decent, safe, and affordable home.

Each year the proceeds from the race are donated to one of five different charities on a rotating basis:

Catholic Charities of Schoharie County  
Catskill Area Hospice & Palliative Care, Inc.

Habitat for Humanity  
Schoharie County ARC

Schoharie County Community Action Program
